FAQ

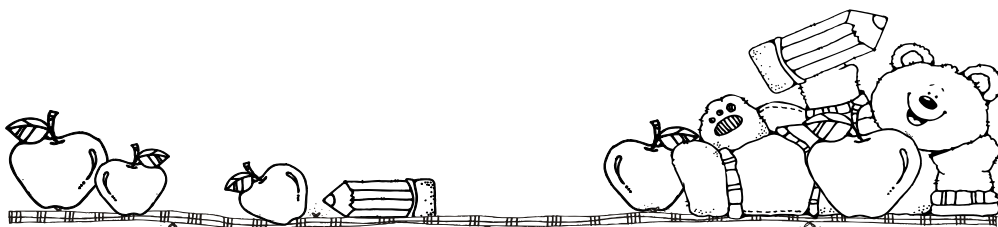

May I request a morning or afternoon session?

Yes, however, you must make this request in writing at either registration or the time of your child's assessment meeting with our Kindergarten team. We cannot make any guarantees about our ability to honor such requests, only that they will be considered.

How are classes formed?

Our goal is to create balanced kindergarten classes. Much thought is put into each student's placement, in every grade, at Liberty. We build classes based on readiness levels (using information from the assessment administered to your child), age (it's nice to have a blend of younger and older students), and gender.

In order to meet our overriding goal of building balanced classes, teacher requests are not permitted.
